NSTF-South32 Awards

Today's research ... tomorrow's innovation

Invitation: Live broadcast of Gala Event – 2019/2020 NSTF-South32 Awards

#NSTFawards2020

Forget about the problems of now, brighten yourself up, and join the [National Science and Technology Forum \(NSTF\)](#) in celebrating the achievements of professionals, teams and organisations in science, engineering and technology (SET) and innovation in South Africa (SA). The 22nd [NSTF-South32 Awards](#) is going live on YouTube on Thursday, 30 July 2020.

Known as the 'Science Oscars of SA', the NSTF Awards in partnership with co-branding sponsor, South32, every year presents the [Awards Gala Event](#). The live streamed broadcast on YouTube provides the opportunity now to anyone interested or involved to view and join in experiencing this grand Gala Event.

Event details:

Date: Thursday, 30 July 2020

Time: 18:30 pm for 19:00-20:40 pm (SA time, GMT+2)

Registration: [Register](#) your details to receive the direct link to the live-streamed broadcast and notifications

Event page: [Click here](#) for more information (powered by EventBank)

The awards and youth: The Awards Gala Event includes recognition to young people that excelled in physical science and mathematics at school in the Grade 12 examinations. Under the NSTF [Brilliants Programme](#), 19 students enrolled for studies in SET at SA universities will be recognised, exposed as the top achievers, and introduced to the professionals viewing the NSTF-South32 Awards Gala Event.

Background on the NSTF and the Awards: The annual Awards that culminate in the NSTF-South32 Gala Event is the flagship project of the NSTF. The NSTF is a [non-profit organisation](#), celebrating [25 years](#) of existence this year, that [promotes SET and innovation](#) in South Africa.

The [NSTF-South32 Awards](#) recognise outstanding contributions to SET and innovation for the past 22 years in the following broad areas under 13 [categories](#):

- Scientific research
- Innovation
- Management and related activities

- Capacity development in engineering research
- Environmental sustainability and biodiversity conservation
- Green economy
- Water research and innovation
- Data management
- Science communication for awareness and outreach
- Special Annual Theme Award in Plant Health aligned with the 2020 International Year of Plant Health, as declared by the United Nations

The NSTF looks forward to host you virtually to honour the [finalists](#) and share the announcement of the winners with you.

About the NSTF

The [National Science and Technology Forum](#) (NSTF), established in 1995, is a broadly-representative stakeholder body for all science, engineering and technology (SET) and innovation organisations in South Africa, which seeks to influence policy formulation and delivery.

The [NSTF Awards](#) are unique in SA, recognising the outstanding contributions of individuals and groups to SET and innovation.

The science [bursaries](#) page provides information on bursaries and bursary providers for science, engineering and related studies.
